

CO₂ REDUCTION CONFIRMATION 2020

Löblein Transport GmbH

„Thank you for choosing the green way”
(Nature)

By choosing the intermodal service provided by TXLOGISTIK, you have saved

264 t OF CO₂

Thus, you have reduced your carbon footprint and made a decisive step towards achieving your climate targets and those of your customers. Enabling the modal switch from road to rail you have made a valuable contribution to environmental protection.

As partner and „in the name of nature“ we say
Thank you
